SOLANO-NAPA FIREFIGHTERS FOUNDATION

Greetings!

IAFF Local 1186 will be hosting its annual Winter Ball this December. The event celebrates our recent retirees and our charitable accomplishments of 2016. We are reaching out to your organization to request your generosity towards our Solano Napa Firefighters Foundation.

The Solano Napa Firefighters Foundation is a small, local non-profit that is chartered with helping families and individuals within our Solano & Napa counties. All too often, as part of our profession, we encounter people at their bleakest moments. The Solano Napa Firefighters Foundation is proud to focus its efforts on helping these affected persons that we encounter first hand on the emergency calls we run.

100% of your donation towards this year's Winter Ball raffle will directly help residents of our local communities. The Solano Napa Firefighters Foundation is a certified 501(c)3 and proud to state that our board members accept no salary or share of the revenue we raise. This means every penny raised directly helps local persons in need.

Thank you for your support & we wish you an enjoyable holiday season.

A handwritten signature in black ink that reads 'Kevin Brown'.
